

***We Handle All Your Residential, Commercial,
And Industrial Plumbing, Heating,
And Cooling Needs***

About DiRosato

Located in Norristown, Pennsylvania, DiRosato Plumbing & Heating Company is a family-owned business, offering expert heating, air, and plumbing service for local residents and business owners.

Our extensive knowledge of plumbing and HVAC service and professionally trained technicians set us apart from the competition, and our quality of work, as well as our affordable prices, are what keep us at the top of our field.

Contact us today and put our experience to work for you!

DiRosato Preferred Membership Program

What is it?

DiRosato Plumbing & Heating Company is proud to offer our Preferred Membership Program. Enjoy the savings and peace of mind that come with being a Preferred Member. You'll never again have to remember to schedule professional maintenance for your HVAC and plumbing equipment. We will contact you to schedule your tune-ups when you need them.

A trained and experienced technician will carefully inspect, clean, and tune up your equipment to prevent future problems, uphold manufacturer warranties, lower energy bills, and extend equipment lifespan. If a repair becomes necessary, you will receive a 10% discount and priority service. What are you waiting for? Join our Preferred Membership Program today for annual service, inspections, and discounted rates.
